D. Griffin

Dedication

Since this is our first yearbook, we, the members of the Junior High School, find it only fitting that we dedicate it to Coach Frank Toomey. During the four years he has been in Waverly he has not only made himself popular among students, but among adults as well. Through his knowledge in coaching he has spirited the football team to an outstanding record of twenty-four wins and seven losses. The baseball team has witnessed four successful seasons under his leadership. In reference to Junior High basketball, he has helped us to create an impressive achievement of forty-three wins and one loss.

Speaking for all of us, I wish to say thank you and congratulations to your success here, Coach Frank Toomey.
